CLUB BADGE ORDERING

Members who want to order a club badge can use this link to order:

https://thesignman.com/clubs/brunswick_shores_arc.html

The club standard will be as shown in the picture on that page: "Callsign" on top, your "Name" on line 2.

However, if someone wants it different, they can enter different text in the "Callsign" and "First and Last Name" fields.

But be warned: Using your name where the callsign normally goes may result in letters being cut off if you have a long name.

Please let me know if you have any questions,
